Hear it from the Warriors

Zoha Khan

Weekly report is helping me to improve and **stay consistent.**

❤️ 3 🔥 1 🥰 12

Navya Nanda

SuperKalam has really helped me with all my doubts resolution, **PYQ practice.** I learnt answer writing, prior to which I was afraid to write answers. Now because of SuperKalam, **I study a topic and test myself** if I really understand a concept through MCQs and answer writing. Thanks a lot for everything.

Take a Sneak

Detailed Explanation with diagrams

Explanation: The 'Ring of Fire' refers to the Circum-Pacific Belt, which is a path along the Pacific Ocean characterized by active volcanoes and frequent earthquakes. It's named for its horseshoe shape and is more prone to volcanic eruptions and earthquakes than any other area on the Earth.
